The Richfield Town Board held a special meeting on November 13, 2018 at the Richfield Town Hall, for the purpose of holding a Zoning Workshop. The meeting was called to order at 7:00 pm by Councilman Frigault. Other Board Members in attendance were, K. Seamon & R. Seamon. Supervisor Palumbo and Councilman Eckler were absent.

Councilman K. Seamon asked Councilman Frigault to give everyone an update on why the meeting was called and why two board members were not in attendance.

Frigault stated that five board members were scheduled to attend the meeting for the purpose of looking over the Draft Zoning Ordinance and for the Board Members to have an opportunity to give their input on the Draft. Frigault referred to an email the Board Members and the Clerk received earlier in the day from Supervisor Palumbo stating he would not be in attendance at tonight's meeting because the Planning Board has delayed any further action on the Draft Zoning until November 26, 2018. The Supervisor did not think it was wise to hold a public meeting on a something that has not been officially given to the board.

Frigault handed out copies of Resolution #6 of 2018, highlighting the last paragraph:

RESOLVED that the Zoning Commission shall cease as a public body upon adoption of a resolution by the Town Board accepting the final report of the Zoning Commission.

Frigault spoke with the Town Attorney who stated; a recommendation from the Planning Board on the Draft Zoning is not required, but highly encouraged. Frigault and the other Board Members agreed that Supervisor Palumbo and Councilman Eckler should be in attendance before the board has a discussion on the Draft.

Councilman K. Seamon thanked Carol Frigault of the Zoning Commission for all the hard work that has been put into the Draft Zoning thus far. He asked Carol if there had been any more conversation about the Route 20 Corridor. Carol stated; it is something board members would like to see in the Draft.

The November 27th Zoning Workshop has been canceled due to a scheduling conflict.

Motion to adjourn at 7:23 by Frigault, second by K. Seamon. All Members in favor.

Maggie Young, Clerk
